

IRON PEAK CAMPERS

APEX Slide-In

Built in the USA for those who chase the road less traveled, the Iron Peak Apex Series is a rugged, off-road-ready truck camper designed to take you farther and keep you there longer. Available in 6.5' and 8' slide-in models for short and long bed trucks, it combines lightweight composite construction with true four-season insulation to handle backroads, trails, and remote wilderness with ease. From cold mornings to hot summer days, the Apex Series delivers confidence of adventure with the comfort of home.
