

CLASS-A

ALLEGRO BUS

45 OPP with G11 White Mahogany

2022 ALLEGRO BUS

PERFECTLY PREPARED FOR TAKE-OFF.

Move ahead in more ways than one. In the new 2022 Allegro Bus. One of our most advanced coaches ever. Comfort and elegance blend seamlessly with breakthrough technology, taking all your travels to the next level. Its PowerGlide Chassis ensures a smooth ride, while the standard OnGuard ACTIVE package, with Advanced Emergency Braking System and Adaptive Cruise Control make every mile safer. Then, once you've arrived, it's time to enjoy the rich complement of upscale amenities. The new MY22 MIRA app puts control of most of your coach's systems in the palm of your hand, right on your smart phone. Abundant living space, four HDTVs—including one outside—with a sound bar in the living area and outside, an integrated Spyder Multiplex System, and handcrafted cabinetry are all standard. The kitchen, replete with high-end appliances, expansive counter and storage space makes meal prep easy. Outstanding towing capacity and generous cargo space for your gear round out this exceptionally capable and comfortable coach. The new 2022 Bus.

Top to bottom: Bathroom with Tri-view Vanity Mirror; Bedroom with Power Smart King Bed; Living Area. All interior shown are 45 FP with Shadow cabinets, Chanel II décor.

Premium Paint System

Our eight-step full-body paint system features premium grade paints sealed with four layers of superclear coat with ultraviolet protection. An additional layer of high-performance film protects the front of the coach and select areas.

GENERATION 10

G10 CINDERWOOD

G10 SUNLIT SAND

G10 FIRE OPAL

G10 WATERFALL

Reflecting over four decades of innovation, Tiffin's proprietary PowerGlide Chassis demonstrates our ongoing commitment to delivering a motorhome experience that's precisely engineered for durability, reliability, performance, and control wherever your journey takes you.

MULTIPLEX WIRING WITH DIAGNOSTICS

The PowerGlide's multiplexed electrical system, with auto-reset fuses and relays, uses less wiring and increases reliability, efficiency, and flexibility.

DYNAMOMETER TESTING

The PowerGlide's dynamometer testing simulates full power road testing, enabling us to better assess engine performance, cooling system function, and instrumentation.

POWERGLIDE CHASSIS WARRANTY

The PowerGlide carries a Tiffin-backed limited warranty for three years or 50,000 miles against defects in materials and workmanship.

HUCK-BOLTED CONSTRUCTION

The PowerGlide's Huck Bolts are precision engineered two-piece fasteners. Huck Bolts are vibration resistant and provide direct metal to metal contact when installed.

For all information concerning the PowerGlide limited warranty provided by Tiffin, please refer to the full, written limited warranty set forth on the Tiffin website or held by our authorized dealerships. For a complete and up-to-date list of available options and specifications, visit tiffinmotorhomes.com.
