

MEET THE NEW **FORZA**

Take your RVing to the next level. The newly upgraded Forza® combines smooth diesel power with versatile and stylish living spaces to create an inviting home on the go for active households and those who love to entertain family and friends.

WINNEBAGO

Solid Foundation

The sturdy Forza foundation integrates the Freightliner® XCS chassis with our exclusive steel SuperStructure® to provide a superb ride — and up to 228 cubic feet of exterior storage, secured with automotive rotary-style latches.

Room to Roam

Three airy floorplans with up to three slideouts and two baths offer ample room for extended journeys, with spacious living areas, comfortable furnishings and plenty of interior storage.

Accent on Design

New exterior paint schemes highlight the Forza's attractive styling, while inside, luxurious touches like the Ultrafabrics® furnishings, Corian® countertops, plank flooring and new sliding wardrobe doors (34T) provide an upscale living experience.

Style, Meet Substance

Stylish aluminum wheels reduce unsprung weight, while the large transmission contributes to the Forza's impressive towing capacity.

A Better Night's Sleep

With a new standard king bed (34T), optional king bed (36H), and optional StudioLoft™ bed upfront, the Forza comfortably accommodates up to 8 (38W) overnight guests.

Weights & Measurements
